

Dear Parents / Carers,

As part of our "All about Us" project, on the morning of Wednesday 9th October the children will be going for a walk around Grange Park to look at different types of buildings. Ladybirds will leave at 9.15am, Dragonflies at 9.30am and Butterflies at 9.45am. The walk should take approximately 45 minutes.

We would welcome any offers of assistance with walking the children around Grange Park. If you have some spare time to help please indicate this on the reply slip below and a member of the Year 1 team will contact you.

Kind regards,

Chrissie Fryer
Year 1 Team Leader
