

Dear Year 2 Parents and Carers,

We would like to invite you into school for our hook morning. This will be to introduce our toys project for the spring term and to engage the children in their upcoming project. This will be in place of a celebration at the end of our project. We will be thinking critically about what makes a toy, how toys are used in different ways and their purpose. You will be asked, along with the children, to give a personal review of each of the toys that you play with!

Please note the hook day will be held over three mornings.

AS/2 Penguins – Wednesday 15th January 2020 from 9:30am to 10:30am in the hall.

SK/2 Parrots – Thursday 16th January 2020 from 9:30am to 10:30am in the hall.

LH/2 Kingfishers – Friday 17th January 2020 from 9:30am to 10:30am in the hall.

If you are not able to attend we can send home the review cards for you to complete with the toys that you have at home.

Thank you for your continued support.

Kind regards,

The Year 2 Team
