

9th January 2020

Dear Parents and Carers,

As part of our project this term, we would like to invite the children to bring in a teddy from home. On Friday the children will bring home a letter to persuade their teddy to come into school. This teddy will be staying in class until the end of the spring term so the children are advised to bring in a teddy that they would not mind leaving at school. Please can teddies be brought into class on Monday 13th January 2020.

Due to available space in our classroom, we politely ask that teddies are no bigger than an A4 piece of paper.

We look forward to meeting the teddies next week.

Thank you!

Yours sincerely,

The Year 2 Team
