Dear Parents and Carers,

As some of you may be aware, the 2020 Year 6 residential will take place during the week 9th – 13th March. The main purpose of this letter is to inform you of the resulting changes to staffing arrangements for that week – please see below.

Every year we attempt to cover the members of staff using colleagues within school as much as possible. On occasion this is not possible and in these instances we seek to cover with a consistent member of supply staff, whilst ensuring a member of known class staff is available to support. In JB4 class we are able to replace Mr Beazley with a supply teacher (Mrs Diane Troughton). Mrs Troughton is known to JB4 due to frequently covering Mr Beazley's NQT release time on a Thursday morning. In CW5 we are able to cover Miss Wareham with a supply teacher (Mrs Mandy Smith). Both of these supply teachers come highly recommended from the supply agency and are pleased to be joining us in the same class for the whole week.

The residential is not only an amazing experience for our older children; it is a fantastic professional development opportunity for those members of staff attending. For example, they gain a far greater understanding of the whole child and how they respond to changes of environment and physical challenge. This is why we try to offer the opportunity to go on residential to a wide range of support and teaching staff so that the benefit is spread across the school.

Alongside the Year 6 team, Miss Gardiner and Mrs Ainsworth, the following staff will be attending the residential trip:
