

17th November 2020

Dear Parents/Carers,

At this time of year we are usually preparing our ever-popular Christmas Book Fair. Unfortunately, it is not possible for us to organise this event, this year, so we have (in keeping with current trends) arranged a 'virtual' alternative!

The books are provided by Scholastic Publishers, as in previous years, and 20% of the sale price of each online purchase will go towards the purchase of new books for our school library. Our library provides a great resource for the children and we always hugely benefit from the book fair revenue, so your support in this year's event would be as highly valued as ever.

Please follow the link below, to access our Berrywood 'Book Club' page. You will be able to browse the selection of books, as well as select and pay for any titles that you wish to purchase. There are no postage charges, as the books will be delivered to school for the children to bring home. We hope this will maintain the excitement and enthusiasm for the traditional book fair, as well as offering a cost-effective means of providing books before the Christmas holidays. This event will run for two weeks: the last date on which books can be purchased is Friday 4th December.

Here is the link to the Berrywood page:

<https://schools.scholastic.co.uk/berrywood/digital-book-club>

Thank you for your support in this, and previous Berrywood Book Fairs. We really do value the support provided for our library, as well as the genuine enthusiasm for reading supported by these whole-school events.

Kind regards,

Nicky Hart
Librarian
