

14th December 2020

Dear Year 6 Parents and Carers,

Study Guides

There are many study guides available to support Year 6 with classwork and SATs revision. The study guides and workbooks published by Co-ordination Group Publications are particularly effective and are available to order through school **for half price.**

The list includes both revision guides, which are useful in recapping key concepts and ideas, and targeted question books which would be useful in allowing your child to practise different question types. We also use the revision cards in school and have found these to be very useful in breaking down different concepts into concise explanations with some accompanying questions.

If you would like copies of these books or the cards, please complete the order form below and return it to the school office by **Friday 8th January 2021 at the latest.** Please make payment online at www.scopay.com/berrywood-pri / due to the current Covid-19 situation we are currently not accepting cash or cheque. The online payment system, Scopay, will show a balance of zero against Study Guides 2021. **Type the total cost of the books/cards required in the "Enter Payment Amount" box.** If you have a credit on Scopay and you would like to use this as part of your payment, please indicate this on the reply slip or alternatively email office@berrywoodprimary.co.uk

Yours sincerely,

Mr Tim Rolfe
 Year 6 Team Leader
