Summer Fayre Stalls

As always, we will have a good range of fun games, stalls and activities to keep you and your little ones busy. Our aim here is to provide as much traditional summer fayre type entertainment as possible at a really reasonable price.

Please look out for two special stalls joining us this year. Firstly, the local **police** will be setting up stall next to one of their plush cars. Additionally, there will be a stall set up the **Smart Phone Free Childhood** group who are happy to talk to parents about these important issues and provide really practical information about settings and parental controls etc.

Glitter Tattoos	Coconut Shy	Basketball Hoops	Hook a Duck
Welly Wanging	Higher or Lower	Teddys & Books	Sweets
Tic Tac Toe	Bottle Tombola	Splat the Rat	Pick a Lollipop Stick

A change stall will also be available where you exchange notes or make a debit card transaction. You will also be able to pay by card at the BBQ and Beer tent. For everything else, it is cash only!

We hope you all have a lovely time.
