

Extra-Curricular Clubs – Summer Term 2025

Dear Parents and Carers,

This email covers information regarding after school extra-curricular clubs for the Summer Term 2025.

Clubs run by External Companies

These clubs have been established at Berrywood for some time and are run by external companies.

If your child is in receipt of benefit related Pupil Premium funding, your child can attend two extra-curricular clubs per week for free. Please note there is an expectation that your child attends these sessions as the school are invoiced, regardless of whether your child attends or not. Attendance will be monitored and if sessions are missed without a valid reason, funding for future sessions may be withdrawn.

The table below details the clubs that are being run in the summer term. In order to request a place for a club run by an external organisation, you will need to use the contact details provided below or refer to the attached leaflets.

School Run Clubs

These will be bookable via google forms that will be sent out in due course, if they have not already been sent. Clubs such as the choir and art club will be on offer to different year groups throughout the year so please be assured that an opportunity to sign up will be available for your child's year group at some point. As most parents will know, we have managed to avoid placing a charge on the majority of after-school clubs run by Berrywood staff in recent years. Unfortunately, school budgets are now so tight that we deem it necessary to make a small charge to cover the administration and resources costs of running these clubs. As a result, we will be making a **charge of £1 per child** for attendance at each club session. This charge only applies to clubs run by Berrywood staff. External providers of clubs will continue to operate with their own charging policies. Please note, if your child attends Berries this £1 charge will be waived.

The tables below show the clubs that will be running through the summer term.
