

Monday 16th June 2025

Dear Parents and Carers,

Two non-uniform days coming up that you definitely need to be aware of!

Firstly, our traditional non-uniform day to kick off our fundraising efforts for our Summer Fayre. Please note that this non-uniform day takes place **THIS** Thursday 19th June. Please give your child £1 to donate. Replica football kits can be worn, but please make your child aware that can't lead to chanting or unpleasantness.

Secondly, our very special and unique event called Berrywood Wears Blue which takes place on Friday 4th July. Again, we are asking for a £1 donation, but all proceeds from this will go directly to the MPS charity. This event is being organised in honour of Albie Ingram-Edney, who has MPS and will be leaving us in September to go to a special medical school.

There are other aspects to the Berrywood Wears Blue day that your child will be involved with and are being coordinated by the lovely Mrs Dufosse and Mrs Dean. These include a lap of honour for Albie round the field and procession that all the children will join. It promises to be a fun and memorable occasion.

We very much look forward to your support with both of these important fundraising days.

Kind regards,

Chris Reilly
