

Tuesday 27th January 2026

Dear Parents and Carers,

Parents' Evening and Online Booking System

Our parents' evenings this term will be taking place on the evenings of Tuesday 24th February and Thursday 26th February 2026 from 3:45pm to 6:45pm. These will be ten-minute consultations to discuss your child's progress. Please be aware that we need to keep to timings in order that other parents are not kept waiting. If you do bring your child along, then please bring something for them to do quietly during the appointment.

Due to a sports tournament, Mr Rolfe's (TR6) parents' evenings will take place on Wednesday 25th February and Thursday 26th February from 3:45pm to 6:45pm.

For parents of children in Years 1 – 6, your child's English and Maths books, and a Learning Disposition document will be sent home on Thursday 12th February.

We will be using our online booking system for you to book your appointment, see details below. For those of you who use Scopay regularly to pay for dinner money, trips or Berries you just need to go to the same website to find the booking system. If you have not used Scopay before, on Thursday 29th January you will receive a reminder email with your login details. If you have used Scopay before but have forgotten your login details you can go to the website and prompt a password reset or pop in to the school office and we can help you with this.

Please see below for a quick reference guide: -

- Go to www.scopay.com and login with your email and password. **Important:** if logging in from a smartphone you must use the Scopay.com site and **not the Scopay mobile site** which is not always compatible
- Select 'Parents' evening' tab
- Select the meeting from the list. If you need to make appointments for more than one child, both meetings will be listed but we ask that you leave at least one ten-minute slot between bookings to allow for movement from one part of the school to another and any slight delays on the evening.
- Click 'book' on any available slot
- Click 'yes' to confirm the booking

The system will be live for you to book your appointments from 7:30pm on Sunday 1st February. If you experience any difficulties logging into the system or do not have access to a computer or other mobile device, please pop into the school office where we will be happy for you to use our systems. **Please note, if your query is about you wishing to book an appointment that has already been selected by someone else, we will be unable to help you.**

Yours sincerely,

Chris Reilly
Headteacher
