

Wednesday 29th April 2026

Dear Parents and Carers,

As part of our 'Achieve' project, on the afternoon of Thursday 21st May, the children will be going for a walk to look at changes to the local area surrounding Berrywood and complete some map-based work. We will leave Berrywood at approximately 13:15 and aim to be out for around one and a half hours.

We would welcome any offers of assistance with walking the children. If you have some spare time to help, please Dojo your class teacher and we will let you know if we require your assistance.

Due to the ever-changing weather, if it is likely to rain on the day please send your child with a light raincoat. Equally, please make sure your child has a sunhat and is wearing sun cream as we will be outside for a large part of the afternoon. We will take water bottles with us so if your child is able to bring a water bottle in a small rucksack, this would be very helpful. Please could the children also wear shoes suitable for walking in, such as trainers. They should not come into school in PE kit on this Thursday as they normally would, but instead come into school on the Friday in their PE kit as we will change around our PE that week.

We are unable to take children offsite without written consent. Please complete the Google form, link below, by **Friday 15th May** at the latest.
