

The Berrywood Voice

The Berrywood Voice (formally the Parent Communication Network Team) is looking to recruit new members.

What is The Berrywood Voice?

The Berrywood Voice is a partnership between parents, carers and school. It aims to represent the collective voice of parents and carers in order to share ideas, views and make suggestions for improvement.

The group will meet each term to discuss a specific item. Meetings will take place on Wednesday evenings at 5.30pm.

We are looking to recruit one representative per class who will be able to put forward the ideas and views of the parent community.

If you feel that this is an opportunity too good to miss out on then please let us know.

lhounsham@berrywoodprimary.co.uk

The first meeting will be held on Wednesday 28th November at 5.30pm and the agenda item will be:

The new Berrywood logo and uniform changes.
