

Dear Parents,

## The Year R Spring Clean

Are you creative? Practical? Or simply just willing to come and muck in?

Year R are tidying and enhancing their outdoor area to continue to inspire, motivate and engage the children in their learning outdoors. We are so lucky to be the School within a Garden (all nine acres), but with 90 children using the Year R area it tends to require a bit more maintenance to keep it looking its best. We have much that needs to be done from planting and tidying to basic DIY, painting and landscaping. There are jobs inside if you would prefer.

Following the success of our Big Build in 2017 we would like to invite our school community to support us once more!

So, are you free on Saturday 30<sup>th</sup> March anytime from 9.00am. Refreshments will be provided. Please come and join us. If you can make it please could you complete the slip below by Friday 22<sup>nd</sup> March. This will help us to organise the day (and refreshments).

Thanking you in anticipation!

A very excited Year R team
