The BSA (Berrywood School Association) is run entirely by volunteers and all profits made at our events go to the school to pay for much needed items.

We are urgently appealing to you to help support the fireworks event as we will need many volunteers to help with our stalls & stewarding and this is to be able to run this safely and smoothly.

All volunteers will have plenty of time to see the fireworks so please do not let that put you off, plus will also have VIP viewing area for you and your family!

Get in touch with us today to offer your support 😊

Thank you for your continued support,
