Related Documents:

Following the requirements of the Education Act 1996, no charge will be made for books, materials, equipment and instruction in connection with the National Curriculum or Statutory Religious Education taught in school, except where parents have indicated in advance their wish to purchase a product. Parents of pupils on income based benefit are entitled to a remission of charges on in-school or part in-school activities.

Residential Visits

A charge not exceeding the total cost will be made for specialist tuition and residency fees on residential visits.

Parents must agree to charges before the child undertakes the activity

Costs for residential visits can include elements for travel, board and lodgings, materials, books, instruments, equipment, tuition, entrance fees and insurance. Each child will be charged for the cost of his/her own part of the visit.

The governing body will consider subsidising those families who are entitled to free school meals, are Pupil Premium children or those on a low income who are eligible for working tax credits.

Other Activities

A charge is made for activities wholly or mainly outside school hours which are not part of the National Curriculum or Statutory Religious Education.

Voluntary contributions may be requested from parents for school activities in or out of school time, which can only be provided if there is sufficient voluntary funding. This charge shall not exceed the total cost of the trip. No pupil shall be excluded by reason of inability or unwillingness to make a voluntary contribution.

Extra Curricular Clubs

A charge may be levied for participation in extra curricular activities to meet the costs or contribute to materials and staffing needs. An option will be given for those families whose children are in receipt of pupil premium funding for the charge to be covered by the school. Children who attend Berries clubs will be exempt from charges for any school run activities they attend which are at same time as their paid Berries session. External providers who hire our facilities will have payment arrangements for their clubs agreed directly with parents and be responsible for their own administration.

The school subsidise all children by £1.50 in attendance at C M Sports activities after school. They provide multi-sports, gymnastics and football. Again, children who are eligible for free school meals are fully subsidised.
