

Thank you for expressing an interest in possibly helping out at the summer fayre. Don't worry, we know you haven't officially signed up for anything yet! We are also very aware that if you were to help out at a stall, you would want to make sure that this didn't prevent you from watching your child take part in an event during the fayre. Below is a description of the stalls where we could really do with some help, and time slots for people to sign up. All the stalls are quite straight forward, and there wouldn't be any set up necessary for anyone volunteering.

Also to help you make your volunteering selection, we have included a draft of the intended Arena Events timetable for the day. Obviously, there could be some variation to this nearer the time or on the day, but, as indicated earlier, we certainly don't want anyone to miss out on their child's performance or activity as a result of volunteering at a stall... so I am sure some flexible swapping can be organised on the day if necessary.

If you are happy to sign up, then please email office@berrywoodprimary.co.uk Subject: SUMMER FAYRE giving: your name, the name of the stall and preferred time slot.

Once we have the grid filling up, we publish with your confirmed times. If you have any other queries, then please do speak to someone in the office.
