

15th June 2023

Dear Year 2 Parents and Carers,

On Tuesday 27th June we would like to do some fruit tasting with the children. They will be developing their DT skills to design, prepare and make their own fantastic fruit smoothies. The children will then get to enjoy eating them in class.

The fruits the children will be tasting are; strawberries, bananas, mangoes, passionfruit, pomegranate, kiwi, blueberries and raspberries.

If you have any further questions relating to this activity, please Dojo your child's class teacher.

Please complete the Google form, link below, by **Friday 23rd June** at the very latest.

Kind regards,

The Year 2 Team
