Happy Easter Holidays

Here's wishing all Berrywood families a very happy, safe and enjoyable break. We hope all parents manage some relaxation and rest, and for our children, we hope the weather doesn't curtail your outdoor fun too greatly.

This term has been somewhat impacted by ill-health for seemingly many pupils and members of staff. Fingers crossed that this disappears soon into the rear view mirror, and we are all able to resume a full and active participation in school life.

Market Day Send Off

We are ending the term with one of our very popular and well established market Days. The wind and rain have resulted in us having to bring this indoors. However, the quality of the crafts and produce on show just gets better with every passing market. I would like to say a huge well done to the many children and members of staff who contribute to making this such an enjoyable and successful venture.

I for one am very excited about how this context for learning will grow and develop over the coming months and years. Our fabulous facilities and school grounds of course play a huge part in making this enterprise possible, but it also the hard work of individuals whose daily efforts make all the difference... they are quite a team!

Spring Concert & Berrywood TV

Last week, 96 children ranging from Y1 through to Y6 took part in our annual Spring Concert. Thank you to the 150+ family members for coming along to support so enthusiastically. The hard work and talent of the children was clear for all to see. There really are special moments created when children perform live to an audience and overcome any nerves or anxieties that this may bring into play.

It is true to say that all our performers smashed it, and mostly with confident and happy smiles on their faces. The Berrywood TV crew were there to film the occasion, and their programme is going through its final edits as I write this, with the link being sent to you this evening via email... please do look out for this, watch it and give it a like!

Administrative/Clerical Assistant Vacancy

We are currently advertising for an Administrative/Clerical Assistant on the Hampshire County Council website (vacancy section). If this is something of interest to you, or someone you know, then do be sure to visit the site for a more detailed look.

Summer Term School Dinner Menus

The dinner menu changes after Easter. For further information, please visit our website at www.berrywood-pri.hants.sch.uk or click on the following link: -
