Happy Half Term Holiday

We hope you all manage to have a wonderful break; whatever it is you are doing over the coming week. This half term has been packed full of school based events and trips. I would like to thank the many parents that have volunteered their services during this time. Just a few examples would be: Year 4 swimming parents, the many parents that have attended school trips, parent readers, parents attending project celebrations as well as those of you who help out in classrooms from time to time. Without your efforts the school would be a lesser place and our children would not achieve as much... so thank you, and long may this support continue!

After half term, we hit the ground running with our Sports days in week one. Fingers crossed for good weather, but we have allocated reserve days for each event just in case. The field will be looking amazing courtesy of our excellent new grounds maintenance service provider. Refreshments (tea, coffee and soft drinks) will be available for parents to purchase, and we certainly hope to see a good number of you there to cheer the children along. It is an action packed half-term in so many ways...

Year 6 Children and Parents

For most Year 6 parents and carers, the end of your child's journey in primary school marks a significant moment. Our current Year 6 children have just completed the SATs week, and you can certainly be very proud of their attitudes and application during this time. There are a number of really quite special events for our Year 6 leavers in this last half term. Most notably are the Achieve performance and the Leaver's Assembly. I do highly recommend that you somehow make the space to commit to attending these events, especially as we know they will likely create treasured memories for many of you.

Berrywood TV

Please look out for the email being sent today with the link to the latest Berrywood TV programme. The Production and Editorial Team (PETS) have been working incredibly hard to create what we hope is very entertaining content... please do keep watching until the very end for our special 'bloopers' section... we hope you enjoy!

School Within a Garden Summer Fayre

Just your reminder that this year our fayre takes place between 12.00 – 3.00pm on Saturday 22nd June. There are so many ways in which you and your children can become involved.

Please remember the theme that we are going for in terms of plenty of good food and drinks options, alongside of creating a great arena atmosphere for the entertainment. I would also add that we are organising plenty of performances and activities for the children to sign up to in advance.

So... if you do happen to have a conversation with one of the BSA organising committee and the do try some gentle persuasion in asking you to help out on one of the stalls, then it would be great to have you on board!

Alternatively, you can complete the Google form that was sent out today, letting us know your preferences for helping on the day.
