

## Extra-Curricular Clubs – Autumn Term 2024

Dear Parents and Carers,

This email covers information regarding after school extra-curricular clubs for the Summer term 2024.

The clubs have been established at Berrywood for some time and are run by external companies. There may be further school run clubs that are announced as the term progresses.

Please note that all sports clubs are free for children who are in receipt of benefit related Pupil Premium funding. If you sign up for external run clubs for your child, please note there is an expectation that your child attends these sessions as the school are invoiced, regardless of whether your child attends or not.

The table below details the clubs that are being run by external providers. In order to request a place for a club run by an external organisation, you will need to use the contact details provided below or refer to the attached leaflets.

### Additional information

#### **School Run Clubs**

These will be bookable via google forms that will be sent out at the beginning of each term/half term. Clubs such as the choir and art club will be on offer to different year groups throughout the year so please be assured that an opportunity to sign up will be available for your child's year group at some point. As most parents will know, we have managed to avoid placing a charge on the majority of after-school clubs run by Berrywood staff in recent years. Unfortunately, school budgets are now so tight that we deem it necessary to make a small charge to cover the administration and resources costs of running these clubs. As a result, we will be making a **charge of £1 per child** for attendance at each club session. This charge only applies to clubs run by Berrywood staff. External providers of clubs will continue to operate with their own charging policies for clubs. Please note, if your child attends Berries this charge will be waived.

**Karate** - this is a long established and ongoing club at Berrywood, that runs every Monday throughout the school year. Children are taught non-contact karate by fully qualified instructors. Many children have been participating for a number of years, the cost is £5.50 per session. The organisation is always interested in attracting new joiners, all booking enquiries through [info@southernkarate.org](mailto:info@southernkarate.org)

**Dance Junkies** - this is a long established street dance club that runs on Tuesdays throughout the school year at a cost of £5.00 per session. The organisation is always interested in attracting new joiners. New for this year is an offer for older children in years 4, 5 and 6 that runs straight after the session for younger children. To receive a registrations form and payment link, please text 07766 503 503.

**Multi-Sports** - This club will develop a range of physical skills in a fun and engaging format. All coaches are fully qualified. We are subsidising this club with Sports grant money, meaning that the cost to families for each session is reduced from £5.50 to £4.00 (no charge for children in receipt of benefit related Pupil Premium funding). Please see the attached e-leaflet from CM Sport for booking details.

**Gymnastics** - This club will provide gymnastic opportunities with specific physical skill development. All coaches are fully qualified. We are subsidising this club with Sports Grant money, meaning that the cost to families for each session is reduced from £5.50 to £4.00 (no charge for children in receipt of benefit related Pupil Premium funding). **Tennis** – This popular new club started in the spring term and will continue for the summer term run by aj's Tennis Academy. The coach is fully qualified.
